Cumulative Index for the years 1985-1987.

(Cumulative indexes for the years 1970-76 were published in 1976, Volume 8, number 6, beginning on page 42. Annual indexes were published in the last issue of each year from 1977 to 1984.)

1985 Volume 17, Number 1,

Seismology for the User by E. M. Fournier D'Albe....4

Reports from the U.S. Geological Survey's Cascades Volcano Observatory at Vancouver, Washington....20
by Steve Brantley and John Power with photos by Lyn Topinka
- •Lahars
- •Effects of winter snowpack
- •Lahar warning system
- •Winter monitoring at Mount St. Helens volcano

Bulletin Board—How to catch an earthquake....33

Earthquakes, July-August 1984 by Waverly Person....34

General Publications....38

Announcements....39

About the authors....39

1985 Volume 17, Number 2,

Recent Volcano Monitoring in Costa Rica....44
by Richard Thorpe, Geoff Brown, Hazel Rymer, Sally Barritt, and Mike Randal

Reducing Losses From Earthquakes Through Personal Preparedness....50
by William J. Kockelman

Natural Hazards Activities of the National Geophysical Data Center....60
by Patricia Lockridge

Bulletin Board
- •International Seismological Center
- •Landslide Information Center
- •Mid-America Plans for Earthquakes

Earthquakes, September-October 1984 by Waverly J. Person....73

General Publications....79

Announcement....79

1985 Volume 17, Number 3,

Kinds of Damage That Could Result From a Great Earthquake in the Central United States....84
by Margaret G. Hopper and S.T. Algermissen

The Basin and Range Viewed from Borah Peak, Idaho....98
by Ross S. Stein and Robert C. Bucknam

Bulletin Board
- •Closely-watched faults—USGS earthquake forecast endorsed
- •Earthquakes in the Balkans
- •Old masonry buildings in California pose danger

Earthquakes, November-December 1984 by Waverly J. Person....110

General Publications....115

USGS Publications....117

1985 Volume 17, Number 4,

Diversion of Lava During the 1983 Eruption of Mount Etna....124
by John P. Lockwood and Romolo Romano

An Interview with Karl Steinbrugge by Henry Spall....134

Bulletin Board....148
- •A National Program for Landslide Hazards Reduction

Earthquakes, January-February 1985 by Waverly J. Person....149

General Publications....153
